MANITOBA GYMNASTICS ASSOCIATION

2027 CANADA WINTER GAMES

Trampoline Selection Policy

1. SELECTION

1.1. Athletes

- Athletes must meet eligibility requirements in Technical Package.
- Athletes must meet minimum standards for their level as defined by the Gymcan Provincial Pathways.
- Athletes will compete at two selection qualifiers competitions.
- A competition score is defined as the best score from two voluntary routines on one day.
- Their best competition score out of the two days of competition will be used to determine their ranking for selection.
- An athlete that misses one of the competitions due to illness, injury or extenuating circumstances will count the competition in which they have participated.
- Any athletes that miss both competitions due to medical reasons, must present a petition in writing along with a doctor's note to the Trampoline Technical Committee in order to be considered for selection. All petitions must be received by the end of the final trials.

1.2. Coaches and Managers

- Coaches and Managers must meet eligibility requirements in Technical Package including gender requirements.
- The Managers will be responsible for any team related planning, communication or coordination required for their team during Games or as requested by the MGA.
- The selection will be based on a point system. The points system is as follows; 1st place athlete would accrue 2 points for the club and 2nd place 1 point for their club in each gender category. The club with the highest total points would be awarded a Coach Position and the next highest total point would be awarded the Coach/Manager Position.
- If a tie occurs, it will be broken by the number of athletes on the team, then the athlete with the highest competition score will be awarded the position.
